

**AMTE-TX Strand at CAMT 2018**  
**July 16-18, 2018**  
**Houston, TX**

**Call for Proposals**

AMTE-TX will again be hosting a strand of sessions at CAMT. The focus of the AMTE-TX CAMT strand will be *mathematics teacher education*, with multiple one-hour presentations comprising the sessions.

**Important:** To be considered for this strand, you must complete a two-part submission procedure:

1. Complete a proposal submission through the CAMT website (<http://camtonline.org>)
2. Submit a detailed proposal description (500 word limit) at the AMTE-TX online submission site (<https://goo.gl/forms/AYqt7hAaJkwtTdaA3>)

**Due Date:** Proposals will be accepted through September 1, 2017.

**Proposal Guidelines:**

Proposals for this strand need to focus on activities, research, or issues related to mathematics teacher education.

Title (60 character limit, including spaces)

Abstract (for CAMT book - 460 character limit, including spaces)

Proposal (500 word limit)

All proposals will be evaluated using the following criteria:

- ✓ Topic is relevant to mathematics teacher education
- ✓ Background information supports the proposed topic
- ✓ Topic is current and of educational significance
- ✓ Outcomes of the presentation are clear and significant
- ✓ Proposal is clearly written and session organization is clear and appropriate
